FULLY WHEELCHAIR ACCESSIBLE MOTORHOMES

roadrunnermotorhomes@gmail.com

Road Runner Motorhomes is a family run, Community Interest Company (CIC), offering disabled people the opportunity to hire a specially equipped, fully wheelchair accessible motorhome at affordable rates.

Our aim is to make going on holiday both accessible and achievable for those with a disabled family member.

The 4 berth motorhome features: entry via an electrically operated cassette wheelchair lift, a four point wheelchair tie-down system, a profiling bed, an overhead hoist with tracking from the profiling bed to a wet room and a 240 volt inverter to charge a wheelchair and/or run a Bi PAP.

Prices start from as little as £550 a week and, subject to availability, we can be very flexible on dates. Prices are normally based on a weekly hire, but the motorhome is also available for long weekends. If you want to go further afield, and would like to hire the motorhome for two weeks, we offer a discount for the second week.

We are based in Bosham and are always pleased to show people around the motorhome, so please don't hesitate to contact us.
